Dinos & DONUTS

THE PRINCIPAL'S PROJECT

CHAMPIONEERS! EMOTIONAL SAFETY EDUCATION SYSTEM

EVENT DETAILS

“Dinos & Donuts” is an impromptu teacher appreciation event. It’s super simple and highly effective. This event can also be modified as a Dad’s and Donuts event for the PTA/PTO to host. It’s easy and goes a long way to make both a child and a father’s day while building a school culture of parental inclusion. When this event was held by our pilot school we thought a couple dozen dads would show up. To everyone’s surprise almost 200 fathers and father figures arrived and stood in the rain to have donuts with their children. No one complained about the weather or the wait—because it wasn’t about the donuts.

Enjoy!

PIZZA & PJs

THE PRINCIPAL'S PROJECT

CHAMPIONEERS! EMOTIONAL SAFETY EDUCATION SYSTEM

EVENT DETAILS

"Pizza & PJs" is a fabulous event that makes a really big deal out of nothing! Yup, you read that right. We get so busy trying to find the perfect school event we miss the extraordinary power of ordinary things when presented with the Champions! ESE twist. Take school lunch for example. Coordinate the next pizza day with a PJ dress up day and the rest is history. In addition, Pizza & PJs provides a themed platform for learning activities to shake up the mundane and increase critical emotional buy-in; like Pizza math and Olive (All-Love) Dodge Ball in PE. It's easy, it's free, it's fun, kids have a blast and you become THE BEST PRINCIPAL EVER!

Enjoy!
