

HIGH FIVE FRIDAYS

A PBIS EMOTIONAL SAFETY, ANTI-BULLYING EVENT

CHAMPIONEERS! EMOTIONAL SAFETY EDUCATION SYSTEM

Dear Staff:

It's all hands-on deck for this Happy, Healthy School event with high-fives and hugs to spread the love to everyone. This is a fast, and easy way we can promote emotional safety on our campus by promoting inclusion, acceptance, and significance. You'll need to teach your students how to high-five gently, but don't underestimate what a smile, a high-five and encouraging words can do for a child. This is how this works:

- This Friday we'll have a high-five parade to send our students home full of positive affirmations and happy dopamine. We'll try this a couple times and if it proves to be a positive addition to our week will adopt it into our routine.
- When you line up at your classroom door, give your students clear instructions on hallway rules but tell them we're trying something fun and new to celebrate all their hard work this week.
- Choose a student leader to stand at the door to be the first to high-five their classmates while you lead them out of the classroom and down the hall to the buses. We'll have some happy music for you!
- All support staff, aids, custodians and even special surprise guests will line the halls to send our kids out in style. Don't be surprised if you see policemen, firemen, the mayor, parents, even high school athletes and leaders in our high-fivin' crew!
- Admin will high-five our students as they exit the building. We're hoping bus drivers will get involved by high-fiving the kids as they get on the bus.

That's all there is to it.

Have Fun!
